

Ferry:

#### **8. Instructions for Traffic**

Park on arrival at terminal behind other vehicles in traffic queue. Loading of ferry boat will normally be in the following order: Left Hand Lane, Right Hand Lane, Heavy Commercial Vehicles will be loaded on the centre lanes. Drive slowly on the slipway and on the ferry boat. Put on hand-brake and turn off engine after parking. Do not open car doors until all traffic has been loaded. Remain in car until fare has been collected or ticket has been validated. All motorcycles must apply parking with centre stand (not side stand) and not disengage centre stand until ferry has docked and in a stationary position. Have exact fare or pre-paid ticket ready and ensure you obtain printed ticket if paying on-board.
