

Return ticket for Disney

One day pass ticket for Friday

As the Keiyo Line was constructed relatively recently, it is located far away from many of the other station platforms, on the B5F(??) level. Head straight down the passageway before Uniqlo (store) and go down several floors to reach the Keiyo Line platform.

The JR Keio Line (not to be confused with Keio Line) is on the fourth basement floor which takes you to Chiba and Maihama (Tokyo Disney Resort), This is JR Train and not metro subway.

Keiyo Line: Tokyo Station—Soga Station. Disneyland is Maihama Station

Local or Rapid (Limited Express) stops at Maihama. **NOT COMM(uter) Rapid**

Keiyo line goes East and connects with Musahino (way past Disney)
