

# BAGGAGE POLICY

## FEDERAL AIRLINES BAGGAGE LIMITATIONS:

All passengers travelling on our Federal Airlines shuttle flights are entitled to one free piece of checked luggage and one small carry on item. Please see below details for checked in bags:

### Type of bag

Due to the nature of the environment in which we operate, our aircraft are, generally speaking, smaller than a typical airliner. As a result, we have much smaller luggage holds which results in weight and size limitations. The Federal Airlines luggage specifications are as follows:

- **SOFT** (all-sides) luggage/duffel bags with no rigid sides (flexible bags being made of pliable material such as cotton or canvas);
- **MAXIMUM** luggage weight is 20kg/44lbs (in the hold); luggage size is 40cm (16 inches) wide x 30cm (12 inches) high x 60cm (24 inches) long;
- **MAXIMUM** hand luggage is 5kg/11lbs (1 piece allowed);

PERMITTED

- We offer soft sided bags which can be purchased at our lounge at an additional cost.
- Should your luggage exceed the above limitations, we will **NOT BE ABLE** to load it. We do provide a **COMPLIMENTARY LUGGAGE STORING FACILITY**. Excess luggage remains the responsibility of the affected passenger at all times.
- Oversized luggage **CANNOT** be carried on your lap. Your safety is our first priority and unsecured objects inside the cabin are hazardous.
- To accommodate additional luggage, please book and pay for an additional seat in advance on any of our shuttle flights. It may not be an available option on the day of departure if this has not been pre-booked. The extra seat will allow for an extra 60kg of luggage allowance. Any additional luggage must still meet the baggage policy described above.
- It remains the responsibility of the booking agent to inform their client of Federal Airlines baggage policy
