Why stay?

1 STEEPED IN ROMANCE
Reminiscent of a bygone era, three intimate camps are steeped in romance, with each stilted, handcrafted mud and thatch suites adorned with graceful antiques, grand chandeliers and elegant African treasures. Watch and listen to the mesmerizing chant of Maasai warriors, overlooking the game-rich Crater as the sun goes down, or enjoy a wine tasting in the wine store. Personal butlers discretely cater for each guest's every need, bringing tea in bed, stoking fireplaces and drawing bubble baths.

2 THAT MAGNIFICENT VIEW...
Perched above cool, swirling mists on the edge of the Ngorongoro Crater, the lavish safari suites at &Beyond Ngorongoro Crater Lodge offer breath-taking views. Frequently described as Maasai meets Versailles, each camp has its own guest sitting and dining areas, as well as viewing decks. Lodge experiences at Ngorongoro Crater, the world's largest intact caldera, are designed to ensure you soak up the spectacular views. Watch the sunset to the chant of the Maasai, swathed in bright red shukkas (traditional fabric), or soak in your bathtub looking out onto a magical landscape.

3 DIVERSITY OF ADVENTURES
An adventure haven and cultural utopia, this area features a variety of memorable activities. Aside from sublime game drives, indulge in a feast on the Crater floor, enjoy three amazing hikes, meet the Hadzabe people or visit a traditional Maasai boma. Discover Olduvai Gorge or spend a day with a lion conservation team. Enjoy lodge activities with dinner in the wine cellar, sundowners with Maasai or a beading lesson.

WOW is truly the only way to sum up our honeymoon stay at the Ngorongoro Crater Lodge. Pictures truly do not do this gorgeous lodge justice - it is absolutely stunning, opulent, indulgent, like a fairy tale come to life. ”

Experiences and highlights

Highlights of your adventure at &Beyond Ngorongoro Crater Lodge feature game drives, banquets on the Crater floor, hiking, wine tasting and lion learnings.

1

GAME DRIVES

Game drives descend into the Ngorongoro Crater through a lush highland forest, with magnificent birdlife to be spotted among the different tree species. Once on the grassy crater floor, discover a large variety of grazing herbivores, as well as predators. Depending on the time of year, you may see huge flocks of pink flamingo around the shores of the shallow Lake Magadi.

2

CRATER FLOOR BANQUET

Indulge in a gourmet feast served in one of the most unique settings in Africa. Enjoy the incredible density of wildlife before making your way to a private picnic spot on the Crater floor. Tables set with snowy tablecloths and sparkling silver cutlery are laden with the most delectable of dishes.

3

EMPAKAI CRATER HIKE

Explore the million-year old Crater on foot and encounter a fascinating forest of wildlife. Lush slopes are densely forested with nuxia, giant St John's wort and hagenia trees growing near the rim. End off your hike with a delicious picnic lunch in the Crater, a remote place of solitude and peace. (Full day, maximum 6 guests)

4

EXPERIENCE CONSERVATION WITH KOPELION

Guests of &Beyond Ngorongoro Crater Lodge have the opportunity to interact with the KopeLion conservation team to get a deeper understanding of their day to day operations and what it is really like for the Maasai to live side by side with wildlife. These experiences have to be booked in advance, and all generate a donation to KopeLion.

5

WINE STORE CELEBRATIONS

Romantic and exclusive, a private dinner is the perfect option for an intimate evening with a loved one or as a group activity with friends and family. Enjoy a private dinner including a bottle of French champagne, do a wine pairing dinner that includes a mouth-watering five-course dinner in the Wine Store or delight in a champagne testing.

OTHER ACTIVITIES TO ENJOY

CRATER BLESSING OR WEDDING

Weddings, blessings and engagements are blessed with the powerful chant of the Maasai and the view of the Crater below

CRATER VIEW WALK (1-2 HOURS)

An interpretive walk, led by a professional ranger, is a must for those looking to get even closer to the wilderness

LAKE EYASI WALK (HALF DAY, MAXIMUM 6 HRS)

Encounter unique tribes on a cultural walk to Lake Eyasi, where pelicans and flamingos converge on the shallow salt lake

OLDUVAI GORGE AND SHIFTING SANDS TOUR

Visit the world famous archaeological site of Olduvai Gorge, also known as the Cradle of Mankind, and the dune of volcanic ash that is the Shifting Sands

CULTURAL VISIT TO THE HADZABE BUSHMEN

Spend the day with the Hadzabe people, ancient hunter-gatherers living near Lake Eyasi and witness their unchanged, traditional way of life

WELLNESS TREATMENTS

Pamper yourself with a soul-soothing wellness treatment using Healing Earth products, made from all-natural ingredients sourced in Africa

COMMUNITY VISIT

Immerse yourself in the local customs and traditions of the communities to fully understand the link between conservation and community.

Activities may incur an additional charge and may need to be booked in advance

IMPACT INITIATIVES

We collaborate closely with the **Africa Foundation** on community development programmes: Over USD 420 000 invested since 2006 into education and healthcare in neighbouring communities.

Community Leaders Education Fund: 42 tertiary level students supported through bursaries.

Conservation lessons: Creating awareness through education where over 130 children and adults partake annually.

We are creating **conservation awareness** through education where over 203 children and adults partake annually

79% of our team are employed from local communities.

79% of goods are procured locally in Tanzania.

We purify our own still and sparkling water on site, at our **water purification plant**, using recycled **glass bottles**. Through this we have completely eliminated the use of plastic water bottles in the lodge.

We are a part of the **Lionscape Coalition**, which supports lion conservation efforts through the Lion Recovery Fund.

Recycling: All plastic, glass, and materials such as old engine oil are sent away for re-use and recycling.

Energy measurement & management: Energy use is tracked and reported on a monthly basis. This includes the use of wood, petrol, diesel, electricity, gas, paraffin and charcoal.

We take steps to **conserve water**, including monitoring usage closely
