

## **GIFT GUIDE FOR SPONSORSHIP VISITS TO SAN RAFAEL**

In order to promote a safe environment for our visitors and to attempt to have a more equitable gift system for the San Rafael families, we have instituted the following gift guidelines.

### **Permitted gifts to San Rafael:**

- **Food Bags**
- **Board Games:** memory, bingo, puzzles (age appropriate according to the sponsored student)
- **Picture books or story books** (age appropriate according to the sponsored student)
- **Hair accessories:** ponytail holders, brushes, barrettes
- **Oral hygiene products:** toothpaste, toothbrushes, soap
- **Backpack or T-shirt** for older students

The aforementioned gifts will help the families in personal hygiene, and the games and educational toys will help us to continue to stimulate the children's educational development in the home.

Whenever possible, families will host the sponsorship visits in their homes. If a community security risk is identified then the visit may take place in the Faro medical clinic, or occasionally outside of the community.
