Hi Monica,

I have no idea what happened to my original email. I am happy that you will be able to show us around Lima.

Yes, there are 7 adults.

The luggage will be the smaller (10 kg) type.

We will be arriving Lima at 14:40 on Taca #806 from Cusco (departs Cusco at 13:15).

Since we will have our boarding passes and no luggage to check at the airport, I think two hours will be enough time for us to clear security and immigration.

Just in case, my mobile number is +1 847.341.8162 and my wife's is +1 630.697.2941.

I look forward to meeting you in a few weeks.

-Roy Giampoli

**PS. Please reply to this mail so I know that you have received it.**

Hello Roy :  
Thanks for your answer.  
I have not received email dated May 2.  
I just received dated May,04  
Included in the price is waiting for dinner.  
If space in the van for luggage.  
When you said think children who were younger than 10 children.  
Twenty years now adults.

Must be minimum 03 hours before international flights.  
I have 02 types of vans from 7 to 12 passengers, so my question about the bags:  
When you say carry on, are bags of 10 kilos., and bags are 23 kilos?  
Show me what kind of bags are?

Send me full details of flight arrival in Lima. I'll be at the airport with your name sign.

Time contemplating the price is 14.40 to 20.00 p.m.  
Information according to your flight leaves at 21:50 p.m.

Which any flight schedule changes, let me know by calling cellular (51) 999 430 796  
We continue in contact.  
Take care  
Monica

Hello Monica,

Thank you for the prompt reply. To answer your questions:

- I learned of your services from tripadvisor.com.
- We all come from the Chicago, USA area
- There are two families traveling together. The 4 adults are in our 50s and the 3 “kids” are in their 20s.

And now some questions for you:

- What type of transportation is provided? There will be 7 of us each with a carry-on bag. As I really do not want to spend time storing this luggage at the airport, I would like to know if there is sufficient room in your van for our bags?
- To be clear, I wish for the van to wait while we have dinner and then return us to the airport. Is this “waiting time” included in the fee?

As for sights to see, we really do not have much time. Our flight arrives Lima at 14:40. I think that we would be able to leave the airport by 15:30 and get to Plaza de Armas by 16:00. We will have dinner at Restaurant Rosa Nautica at 18:00. If my timing is correct, this only leaves about 90 minutes to “see the sights”. (My family visited Lima a few years ago. The goal of this “tour” is to show my friends the main sights of Centro.)

I look forward to your reply and any suggestions that you may have.

-Roy

**Note: A suggestion, not dollar bills to bring old or broken because in Peru do not receive them.**

Hello,

My friends and I (total 7 adults) have a layover in Lima on Sunday 2-June. We would like to arrange transportation from the airport (arriving from Cusco at 14:40), a quick tour (Plaza de Armas, Iglesia de San Francisco, Plaza San Martin), a drive along the coast possibly stopping at El Parque del Amor. Continue on to Restaurant Rosa Nautica where we would have dinner at 17:30 and then make our way back to the airport for an international departure at 21:50.

Is this something you can help arrange?

Best regards,

Roy Giampoli
