Roy,

That makes it easy as we usually meet people in front of the Copacabana Palace. There is a statue of a man standing about 10 meters from the front door of the Palace where I like to meet people.

ok, when you know for sure the numbers, we can work out something for your group.

Sorry. We'll be at the Copacabana Palace. 10:00 works great.

There are 6 of us for certain. I should know about the other 3 or 4 in the next few weeks. I will confirm with you as soon as I know.

See you on the 5th of June!!!

ok do you know where in Copacabana as its a big area? usually i like to meet people after 10am after the morning rush hour..

price depends on how many in your group..when you have an accurate number then we can work something out but normally the price is 65 reais each which includes transport to and from meeting point and 2 tour guides (including me) if theres more than 7 people.

Perfect!

We'll be staying at the Copacabana. I've set aside the entire day, so we would be available anytime after breakfast. Just let me know.

Two questions: Is [21-8221-5572](tel:21-8221-5572) the best contact number? And what this will cost?

Thanks again,

Roy

Roy,

If you have a group of this size, it will only be your group as i dont like to mix large groups?

Of course I can do the tour for you to show you my favela.

At some point, I will need to know where you are staying so we can meet and I can bring you here.

Hello Zezinho!

I am very interested in experiencing Rocinha. My group of 6 family/friends have set aside 5-June to do this. (The group may grow to 9-10 by the time we arrive in Rio.) I wish to have a private tour, ideally led by yourself.

Please let me know if you will be available to show us around.

Cheers,

Roy Giampoli
